

BIBLE STUDY #7: THE RESURRECTION

HOOK:

1. Do you fear death? Why or why not?

BOOK: Read Luke 24:1-12.

LOOK:

2. Who were the first ones to come to the tomb after the Sabbath? (Look at the preceding context in verses 55-56 as well as Luke 24:10.) Why do you suppose they were the first ones at the tomb?
3. List all that they observed when they got to the tomb.
4. Why did their words appear as nonsense to the apostles after Jesus had told them He would rise again on the third day? What does that show us about their faith?
5. Why do you think Peter was the one apostle who ran to the tomb?
6. What did Jesus' death and resurrection accomplish? Could that have been accomplished by any other way?
7. According to 1 Corinthians 15:12-18, why is the Resurrection so important to the Christian faith? What difference does it make?
8. How would it affect your life had Jesus died, and not been resurrected?

TOOK:

9. Are you living as if this life is all there is? Why or why not?

10. Are you willing to live your life for the One who died and rose again to give you eternal life?
