

PERSONAL TESTIMONY WORKSHEET

Begin with prayer, asking the Lord to clearly guide you, to point out important circumstances and people that brought you to saving faith. Some of you (like me) came to Christ at an early age, and there is not much to write in the “before” section. In this case, share how you came to Christ, but focus on how you came to the point of being under the “lordship” of Christ and how your life has changed. Paul’s testimony was “dramatic,” but a testimony doesn’t have to be dramatic in order to be effective!

I. What was your life like before you trusted Jesus Christ or totally committed your life to Him?

A. What were your attitudes, needs, problems?

B. What did your life revolve around? What was most important to you?

C. How did you look for security, peace of mind, happiness? How did you find your activities unsatisfying?

II. How did you come to trust Christ or how did you come to give Him complete control of your life (lordship)?

A. What were the circumstances surrounding your conversion to Christ/lordship?

B. How did you receive Christ or give Him control of your life?

C. What barriers did you experience?

D. What was the turning point for you?

III. What happened after you trusted Christ or surrendered to His lordship?

A. What changes did you see in your life, actions, attitude, problems? (Use specific examples.)

B. How long did it take before you noticed changes?

C. What personal benefits occurred?

Conclusion: What does Jesus Christ mean to you now?
